## PROPERTY DESCRIPTION

Experience the comfortable feel of this stunning home perched high on a hill with incredible panoramic views. This tranquil private residence is located on a quiet, extremely low traffic neighborhood street.

Completed in 2006 this amazing home features all the upgrades including a relaxing covered front porch, 3 car garage, four large bedrooms, a game room, a huge Chef's gourmet kitchen with granite countertops, stainless appliances, crown molding and a lower level office/study in over 3000 square feet of living area. There is plenty of room to roam, play and BBQ outside on your 1/3+ acre oasis.

This meticulously maintained model-like home truly radiates style and comfortable living.
