PROPERTY DESCRIPTION

This elegant Westlake home located in highly desirable Barton Creek West offers a classic design overlooking the wooded Barton Creek greenbelt.

Drive down the street and you'll see curbs, sidewalks, nicely manicured lawns, and lots of trees. Yet the neighborhood is bounded on three sides by beautiful Barton Creek and hundreds of acres of dedicated, heavily wooded nature preserve. Walking along the trails that follow the creek through the greenbelt you will feel like you are miles from civilization even though you are never more than a few hundred yards from home.

This private neighborhood preserve provides a place of serenity for adults and a wilderness of exploration for the kids.
